#### 2022 INDONESIAN ARTS AND CULTURE SCHOLARSHIP VIRTUAL

(15/05/22 - 09/07/22)

# A. BACKGROUND

The Indonesian Arts and Culture Scholarship (IACS) has been conducted since 2003 and was offered to some countries which have a good relationship with Indonesia.

During this pandemic situation, we cannot invite awardees to study Indonesia arts and culture in person. After in 2020 we cancelled IACS 2020 to avoid risk to all awardees, last year in 2021 we held IACS virtually. This year, we would like to invite all potential IACS awardees to join us virtually again.

Due to the limited space and the vast amount of interest in the program, the Ministry of Foreign Affairs of the Republic of Indonesia in cooperation with Indonesian Embassies and Consulates overseas, hold a series of selection process. Taken into considerations are, among others, the awardees' background, gender, regional representation and the interest to learn Indonesian culture.

In order to deepen the awardees' understanding of Indonesian arts and culture, and to enhance their skills for the final performance, awardees will be divided and assigned by the organising committee to different arts centers for the duration of approximately 2 (two) months. The arts centers are located in 6 (six) provinces, namely: Bali; Padang - West Sumatera; Kutai Kartanegara - East Kalimantan; Banyuwangi - East Java; Makassar - South Sulawesi and Yogyakarta.

Awardees will study Indonesia arts and cultures, allowing for the chance to experience the local heritage and interact with the local artist. Synergy between theory and practices shared by the arts center would undoubtedly become the driving force for shaping international cultures and norms, and will eventually strengthen regional as well as global understanding and cooperation at a people-to-people level.

# B. OBJECTIVE

The program also has an objective to encourage better understanding amongst participants from member countries through Indonesia's immensely diverse arts and cultural heritage. Finally, the programme aims to cultivate a culture of cooperation, emerging from direct contact and sharing of cultures amongst people involved in the program, leading to thriving diplomatic relations in the region and worldwide.

# C. PARTICIPANTS

Due different time zones, Awardees of the 2022 IACS Virtual will be targeted only from ASIAN, AFRICAN, PACIFIC, and EUROPEAN countries.
