Dear Mr. Zejnullahu,

It is my pleasure to inform you that JICA will organize a Group Training Course on "Improvement of Maintenance Skills for Gas Turbine and Coal Fired Steam Turbine Thermal Power Engineering (A)", J1300801 in accordance with the course information booklet attached herewith and which will be sent to you by e-mail.

JICA is ready to accept one participant from Bosnia and Herzegovina between June 4 and July 27, 2013 and we would like to ask Ministry of Foreign Affairs to forward the following document for application from prospective nominees to the JICA Sarajevo Office, **by April 10, 2013:**

1. Application form
2. Job/Country Report (Annex of GI)

Important information

Targeting organization and participant: This program is offered to engineers who are in charge of management, operation and maintenance at a gas turbine/coal fired steam turbine power plant/station.

Each applicant should meet requirements (such as present position, educational and occupational background, age, fluency in English, etc.), as mentioned in the information booklet.

It is preferable to submit more than two nominees for application, even though official letter informs of acceptance of one participant.

If you need any additional information, please contact the JICA Sarajevo Office at + 387 33 220 190.

Sincerely,

Toshiya ABE
Resident Representative
JICA Balkan Office
